Pire Bogs at Work in Detroit.

Durnorr, March 14.—The firebog shoes work kept the police guessing shere he would pop up next, has been more than usually busy of late. Sunny afternoon smake was seen issuing rom the basement of the Abstract milding at 11 Lafayette avenue. Still larun were also turned in from the lagle black and from the old Tribune milding on Larned street. Soon after midnight Sunday morning fire was discovered in the rear of No. 125 West congress street. Twenty minutes later rea were discovered in two different arts of the Ideal point works on Larsed street. The police are very much analysis at their lack of success in runing down the man, or men, who are sing the work.

William Koulfus of Marquette, was found dead in bed the other morning beside his father who lay in a paralyzed condition. Both had received treatment for colds, but the cause of death can not be determined by physicians or that learned body, the coroner's jury. It is generally thought that death resulted in a natural manner.

Nellie Snover, the girl who created such a furore by her disappearance and absence for one year, is now reported to be at her home in Richfield and contented with her lot. She has demonstrated her ability to outwit the detectives and still remain right in the village of Detroit.

word. He leaves his family in very comfertable circumstances.

THE DRS. A., F. & S.

## THE FOREST CITY MEDICAL DISPENS

**CLEVELAND, OHIO,** will make their next visit to

Grand Rapids, at Sweet's Hotel,

FRIDAY, MARCH 18

For Three Days-Friday, Saturday and Sunday,

Were it not for their efficient corps of Physicians at the Institute, it would be impossible to make this visit.

THE DOCTORS MAKE THIS

## Business Proposition!

to all who are suffering from obscure or complicated diseases, who from reasons of delicacy do not wish to consult home physicians, or who have been kept off and on lying in misery, by some practation who has not had the honesty to say "I cannot cure you."

If you will visit the Drs. A., F. & S., they will charge you nothing for an examination, will tell you whether or not they can cure you, and if they can, they will make a contract to do so. This is business. It is different from the ordinary non-committal wise-and-silent method, but it is successful, and, with the doctors' great power of intuition it has built up the great Cleveland Medical Institute.

## A Word About this Power!

actor or a journalist, because HE WAS BORN TO DO THAT VERY THING, and nothing else. Their intuitive perception enable the Drs. A., F. & S. to diagnose correctly—the most important part in practice—and then to apply the vast knowledge which they have obtained by study and by the greatest range of experience enjoyed by any physicians hereabouts, to say the least,

Call on the doctors. You will like their. You will like their pleasant but business-like ways and above all if you suffer from any obscure or complicated disease, you will like to be cared,

And You Probably Can Be.

The Doctors A., F. & S. have completely restored thousands who had at first consider themselves incurable because their physicians could not do anything for them, but now the are loud in their praise of the Drs. A., F. & S., who rescued them from

A LIFE OF MISERY AND A HELL ON EARTH

Bear in mind the day and date of visit to Grand Rapids, Sweet's Hotel, Friday, Saturday, and Sunday, March 18, 19 and 20.

CONSULTATION FREE AND INVITED.
